REGISTRATION MATERIALS

During the week of January 3-7, registration packets will be mailed to all students who are currently enrolled in the University—with the exception of students graduating in January of 1966. Students will obtain their packets as follows:

Current Students: Come by the Records Office sometime during the month of December and check your address as it is recorded in the IBM address register. This address should be one where you can receive mail—including your registration packet and grades.

- (1) If your address is correct, take no action.
- (2) If your address is not correct, take one of the IBM address cards and enter (a) your name, (b) your correct address, (c) your student number (five digit number appearing on ID card, in upper right hand corner of Bursar's receipt, and in the address register).

Former Students: Packets of former students will be mailed out only if they have completed readmission requirements by January 3, 1966. Students *completing* readmission requirements after this date will receive their packets on the day of graduate registration (9:00 A.M. on Saturday, February 5.)

New Students: Packets will *not be mailed* to new students. New students will obtain their packets at 10:30 A.M. on Saturday, February 5, at the Office of Admissions and Records (Room 218 in Administration Building.)

Admission to Graduate School

1. An application blank must be completed and filed with the Dean of Admissions, not later than two weeks prior to registration.
2. Two transcripts of undergraduate work must be on file with the Dean of Admissions prior to registration. At least one of the transcripts must come directly from the undergraduate institution. (Memphis State University graduates will have transcripts provided.)
3. A satisfactory score on the Miller Analogies Test must be on file with the Dean of Admissions. Applicants from out of the City are encouraged to take the test at an institution near them and to have the scores sent to Memphis State University. Scores on the Aptitude Phase of the Graduate Record Examination will be accepted in lieu of the Miller Analogies Test.
4. Prospective students should write or call the Guidance and Testing Office, Room 204, Administration Building, 324-3601, extension 242, for an appointment to take the MAT. Not more than 25 can be tested at one time. Arrange the test as far in advance of registration as possible.
5. A fee of \$4.00 will be charged for the test. It must be paid at the Business Office, Room 226, Administration Building, prior to the examination. The receipt is required for admission to the testing room. The Business Office is open from 8:00 a.m. to 4:00 p.m. daily except Saturday when it is open 9:00 a.m. to Noon.
6. The student should arrange an interview with the Dean of the Graduate School, Room 210, Administration Building, as soon as possible after he has met all admission requirements. His registration may be delayed if the interview has not been arranged prior to Registration Day. Write, or call 324-3601, extension 253, for an appointment.
7. An application fee of five dollars (\$5.00) is required with the application. This charge is a service charge and is not refundable.
8. Applicants cannot be notified concerning acceptance before application, transcripts, test score, and \$5.00 fee are on file.

Registration Procedure

1. Secure registration materials (packet) as directed on page 1. (The Evening Division registration is for undergraduates.)
2. Confer with your adviser. (Advisers are assigned to all new students by the Graduate Dean room A210.) Fill in all information requested on each card. Secure advisers approval on orange card.
3. Obtain course cards in the Registration Center on registration day at the time specified (calendar page 1), go through check out, pay fees and secure parking permit if needed. Permits are valid from September 1965, to September 1, 1966.
4. After the Saturday, February 5, course cards will be in the office of the department chairmen and advisers will be in their offices except during undergraduate registration. After undergraduate registration students may check out in the Record Office A218 and pay fees in the Business Office A228.

FORMER STUDENTS

A former student is defined as (1) one who has not registered at Memphis State University during the Fall Semester, 1965, and/or (2) one who has attended another college since he last attended Memphis State. Such a student, in order to qualify for re-admission, must clear the following requirements with the Records Office (Room 218, Administration Building) not later than January 28, 1966.

1. Complete the application form for re-admission provided by the Records Office.
2. Request the registrar of each college attended, if any, to mail a transcript of credits to the Records Office.

After the new applicant or the former student has completed the procedures outlined above, he will be notified of his status by the Records Office; if he is accepted, he will be issued a card of admission. **THIS CARD MUST BE PRESENTED AT THE REGISTRAR'S OFFICE AT THE TIME REGISTRATION PACKETS ARE OBTAINED.** Failure to comply with admission or re-admission procedures will delay your procurement of registration materials.

NEW STUDENTS

New graduate students may secure their registration materials on February 5 at 10 A.M. in the Records Office. (Adm. 218)

Graduate School Regulations

1. Sixteen semester hours shall be maximum load for students devoting full time to graduate study. Only full-time students may register for more than twelve semester hours of course work in any one semester, including courses on campus, extension courses, and courses to be transferred from other institutions. Students who have full-time positions may not enroll for more than two courses.
2. After a graduate student has completed his registration, it cannot be changed without approval of the Dean of the Graduate School. The adjustment will originate in the office of the Dean, and the change-of-course must have the approval of the student's adviser and the Dean.

ADDING:	—No course may be added after February 16.
DROPPING:	—No course may be dropped after March 2.
WITHDRAWAL:	—No student may withdraw after May 12.
3. Failure to give official notice of complete withdrawal from Graduate School in writing will result in a grade "F" in each course for which the student was registered. Address your notice of withdrawal to the Dean of the Graduate School.
4. To become a candidate for a degree, the student must file an application on blanks available at the Office of the Dean. The application must contain plans for a complete program of graduate study and be approved by a faculty adviser in both the major and minor areas. Unless "Intent to Graduate" cards are on file by March 11, one cannot be assured of diploma on May 28, 1966.
5. A student must have an overall B average in graduate courses at the beginning of the semester in order to be placed on the list for graduation in that semester.
6. If a student withdraws from the University within seven days after the beginning of classes for the semester, a refund will be made of 80% of fees; each week thereafter, the amount will be reduced 20%.
